

Your team can sell. Give them leads worth chasing.

Sales Summit 2025

bizzy.

Hi, I'm Hendrik Keeris!
Co-founder & CEO at Bizzy

THE STATUS QUO

A sales rep spends **5–6 hours per week**
on identifying targets and preparing prospect lists

Figuring out who to target

Defining the right type of customer
and finding matching companies

Building and qualifying lead lists

Filtering companies and
cleaning up bad data

Researching and preparing outreach

Finding decision makers, contact details,
and writing personalized messages

MEET BIZZY

Bizzy is built to turn wasted hours into winning conversations and closed deals

By taking care of the busywork

IDENTIFY

Finding and qualifying the right companies and contacts based on your ideal customer criteria.

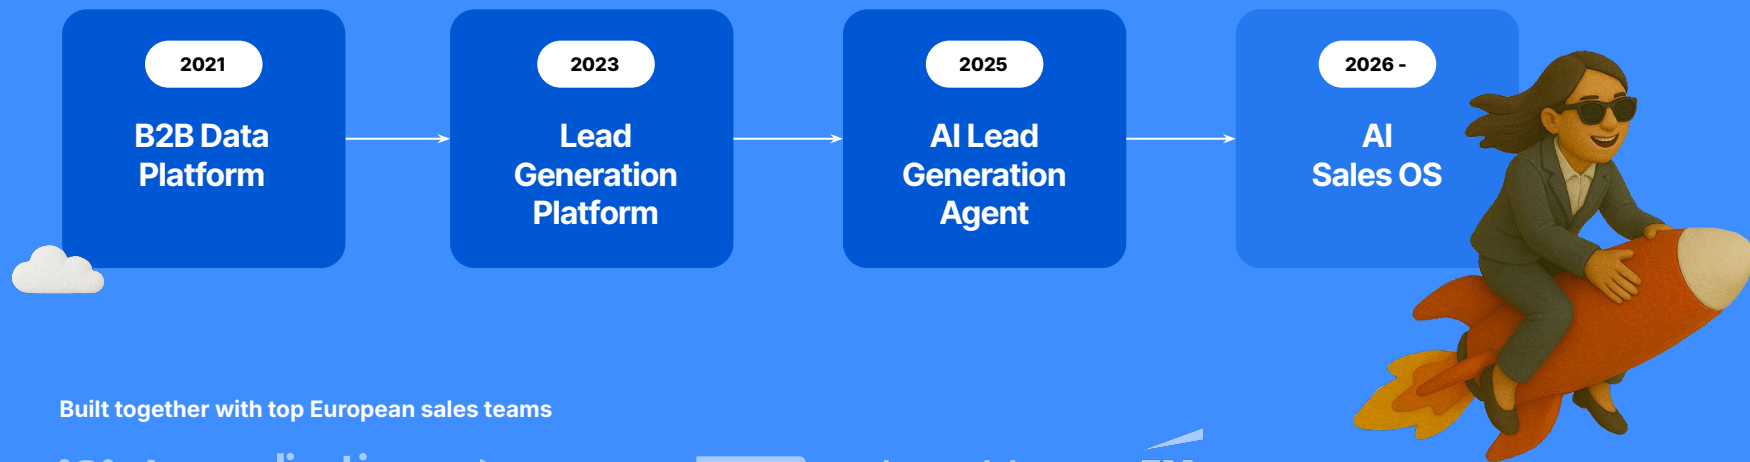

ENRICH

Equipping you with verified contact info and the insights to start relevant conversations.

ACTIVATE

Automating list-building workflows and syncing leads into your CRM or outreach tools for immediate action.

Born from real sales challenges, evolving to help teams lead the way

Built together with top European sales teams

John found a new company and would like your review 2h ago

**Fixform**
Ghent, Flanders • 27 employees • €0 - €1M Revenue

Description

Fixform simplifies facility maintenance by providing a platform for easy issue reporting, automated workflows, and asset tracking, enabling teams to manage their spaces efficiently. With support for over 27 languages, Fixform enhances communication and streamlines operations for various sectors, including healthcare and property management.

Fit analysis

Artela is a strong fit as a SaaS provider for the art market. Their cash position exceeds our threshold, demonstrating financial stability. This alignment with core criteria indicates high potential. **High fit**

Building the Future of B2B Sales From Ghent to Europe

We imagine a world where sales teams don't waste time chasing cold leads.
They show up ready to close — focused, confident, and in flow.
That world? **We're building it.**
